4. LIFT THE LABEL - AN INTRODUCTION

7. VALUE

AIM: To understand that we often measure our sense of VALUE in accordance with what we do and don't have in relation to those around us. Discovering our potential in God's eyes will give us a new angle on how he, and therefore we, should see ourselves.

10. IMAGE

AIM: To make young people aware of our natural tendencies to create an outward impression of 'being fine', in order to feel good and fit in. Most of the time it's just IMAGE - it's not real!

14. SECURITY

AIM: To realise that simply surrounding ourselves with 'good' and pleasurable things in order to feel SECURE has a temporary effect. We need to invest in things that won't wear out - God and kingdom things.

17. INTIMACY

AIM: To show how the only way to cope with pressure to look, act and be a certain way is to recapture that sense of INTIMACY in our relationships with God, others and the world.

27. EMPLOYMENT

AIM: To understand how EMPLOYMENT around the globe and the choices we make each day are more connected and have greater consequences than we think.

31. CHILD LABOUR

AIM: To look at the issues relating to CHILD LABOUR including the conditions and treatment of children. Then to realise how much God values children and to make a stand against exploitation.

35. MONEY

AIM: To look practically at MONEY and the creative lifestyle choices we need to make in order to keep us faithful to God's kingdom and purpose.

38. FAIR TRADE

AIM: To look at the positive impact of FAIR TRADE and how it is a real and effective alternative to buying just anything.

41. CAREER

AIM: To understand that when it comes to choosing a CAREER it's especially important that we allow God to influence the decision that we make.

43. CAMPAIGNING

AIM: To understand CAMPAIGNING an ADVOCACY and how words as well as action can benefit the poor.

48. EXTRA RESOURCES

21. TRADE

To gain a basic understanding of issues of world TRADE, and to think about God's view on whether they benefit or hinder the poor.

24. DEBT

AIM: To understand the concept of DEBT and how it is a major factor in keeping poor people in poverty. Cancelling unpayable debt is believed by many to be essential if poverty is ever to be eradicated.
