

Running Growing Leaders in Dublin

Growing Leaders was a very positive experience for our church. We had over 30 people do the first course, and the response was overwhelmingly positive. People really enjoyed the opportunity to reflect on who they are in Christ, and how they might serve him meaningfully.

As the rector I have been excited by the practical responses that people have made. One man approached me after the course and asked if he might be able to lead a home group in our church, another has told me that he wants to be regularly involved in the ministry of public prayer.

The one word I would use to describe GL's is 'encouraging'
