growing leaders training the trainers

imagine...

Effective leadership at every level of your church. Leaders growing in Christ-like character. Leaders confident about God's call on their lives. Leaders equipped to lead.

Growing Leaders helps imagination become reality.

Leadership is a proven factor in growing healthy churches. Yet so many churches struggle to find leaders. The *Growing Leaders* course and training days will help your church find and develop leaders passionate for God's work.

The *Growing Leaders* course

Growing Leaders is more than just another course. Over a year, its unique mix of teaching, mentoring and practical application focuses on:

- leadership rooted in Christ
- deepening commitment to long-term service
- essential skills for the task.

The course pack includes:

- leaders' notes and resources
- photocopiable handouts
- the *Growing Leaders* paperback book
- CD-ROM with *PowerPoint* presentations, brief training videos, additional handouts and resources.

Growing Leaders was written by James Lawrence, director of the CPAS development team and Simon Heathfield, team rector at Walthamstow, formerly CPAS vocations adviser. *Growing Leaders* is currently being run by hundreds of churches around the UK. The cost of the course is subsidised by CPAS.

'Fantastic. It really hits the mark – I'm going to do it all over again for another group of leaders!'
Charlie Nobbs, Grange Park church plant, Northampton

'This is no standard "course": The combination of group work, teaching, mentoring and time proved a winner. The material was of consistently high standard, easy to use and works well with people from a wide variety of backgrounds.

I would have no hesitation in recommending it to others.'
Dan Clark, Holy Trinity Platt, Manchester

'It gave me a confidence to lead that I did not have before!'
Jane Rocke, *GL* participant
