

Happy Christmas from CPAS

Please join with us this Christmas in praying for:

- The carol services, Christingles, concerts and other events taking place in local parishes throughout the UK.
- The historic truths of Christmas to be shared with enthusiasm and in the power of the Holy Spirit.
- CPAS as we prepare to enter 2010: that as an organisation we might be able to develop Christian leaders who are strong in the historic faith and effective in leading churches in sharing the good news with their communities.

CPAS launches new websites

The new CPAS and Ventures websites have been launched. Please continue to pray that:

- Many people will use the new websites to find out about CPAS training, tools and resources and Venture holidays.
- God will continue to use the ministry of CPAS to develop godly, mission-focused leaders so that churches will grow.
- Young people will be prompted to book for next year's Ventures, and that many will come to know Jesus for themselves through this ministry.

CPAS welcomes Bishop of Bristol as new president

The Rt Rev Mike Hill, Bishop of Bristol, is to become the new president of CPAS, alongside three new vice-presidents. Please pray for:

- Bishop Mike in his role as president advising and supporting the general director.
- The new vice-presidents of CPAS as they take up their role supporting Bishop Mike.
- CPAS to be a positive influence in the Church of England as we seek to develop leaders for a mission-shaped Church.
