

Growing Leaders – Youth Edition training days

Please pray that many people will book onto *Growing Leaders – Youth Edition* training days and that churches will be equipped to prepare many young people for godly leadership.

Watford church building for the future

St Luke's church in Watford is a CPAS patronage church.

Please pray for the ministry at St Luke's:

- Pray for Dave and the staff team as they look to equip, encourage and enable others to get involved with leadership.
- Ask God to inspire the leaders with creativity and wisdom as they reach out to new groups of people such as 20s and 30s.
- Pray for the parish weekend in March and guest speaker Mark Russell (Church Army chief executive) as they look at equipping people for life at work and at home, as well as tackling issues from a position of faith.

CPAS in the North-west

Simon Chesters was recently appointed as CPAS regional leadership development adviser for the North-west region.

Please pray for:

- Simon as he seeks to make contacts and build relationships with leaders and churches in the North-west region.
- The *Leading Edge* forums to equip and encourage many leaders across the country in their local contexts.
- Churches to become more mission-focused so that more people can discover Jesus for themselves.
