

St Peter's, Derby, planning for growth

St Peter's church in Derby is a CPAS patronage church which has just developed a mission action plan for the next five years.

Please pray:

- For St Peter's church as they seek to take the good news of Jesus out into their community.
- That the members of St Peter's will be encouraged and grown in their faith.
- For more churches across the UK and Ireland to become excited about a vision to see more people come to know Jesus.

Focus on Falcon Camps – Scotland

This Easter the Scottish Falcon Camp will take place from 5 – 9 April.

Oswestry Falcon Camp will take place from 3 – 7 April

- Please pray for the taster days for the Scottish Falcon Camp, that the children would be able to participate fully.
- Pray for the leaders on these two Falcon Camps as they make preparations for the holidays.
- Pray that everyone involved on the Falcon Camps will have a great time and learn more about Jesus.

Praying for Arrow

This month, the *Arrow Leadership Programme* 11 preparation day and the third residential week for *Arrow* 10 are taking place.

Please pray:

- For the participants beginning *Arrow* 11 as they start out on the programme and begin to work through any issues that arise.
- For the *Arrow* team as they lead the preparation day and residential week.
- That everyone involved in these events will be open to what God will do during them, and beyond.

e-bulletin prayer points: november 2009 continued

November events

There are several CPAS events taking place in November.

Please pray:

- For the participants on the *You and Ministry* weekend as they consider a call to full-time ministry.
- That the *Growing Leaders – Training the Trainers* day will equip the participants to grow godly leaders in their own church settings.
- That God will use *Growing Leaders – Youth Edition* to develop a new generation of young leaders who are committed to evangelism.

Thank you for your prayers.
