A *Growing Leaders Training the Trainers'* event is a great opportunity to meet people who are passionate about developing leaders.

In the morning we will:

- Consider seven key principles for growing leaders.
- Identify why growing leaders is importance.
- Explore how to grow leaders.

During the afternoon we will look at:

- The *Growing Leaders* course - how it works and how you can run it back in your church.
- Creating a leadership development strategy in your church.

The event is hosted by James Lawrence and Ruth Hassall, the authors of the *Growing Leaders* courses. You will be able to network with others and have the opportunity to buy the *Growing Leaders* course(s) at a reduced rate.

The cost is £15 per person, with a price of £10 for additional people from the same church and includes a resource pack and refreshments (not including lunch).
