

Values take shape at St Peter's

St Peter's Church, Yateley, in Winchester diocese has been working with Laurence Gamlen, CPAS regional leadership development adviser for the South, to help define a set of foundational values.

Please pray for:

- St Peter's to reflect their values through individual and corporate behaviours.
- Rachel and all those with leadership responsibilities at St Peter's, which will shortly begin an interregnum.
- Laurence's work supporting, advising and training lay and ordained church leaders across the South of England.

Ventures and Falcon Camps 2010

The Ventures and Falcon Camps summer season is underway.

Please pray for:

- All the young people on Ventures this summer to have a great holiday and to want to invite their friends next year.
- The fantastic team of volunteer leaders on Ventures and Falcon Camps. Thank God for their generosity in giving their time and energy, and pray that any final preparations will go smoothly.
- The children on Falcon Camps this year to experience the love of Jesus and ask God to work in their lives at home to change any difficult circumstances they are living with.
