

Summer seminars

John Dunnett, CPAS general director, and CPAS leadership development advisers Ruth Hassall and Andy Castle spoke at the New Wine conference this summer.

Please pray for:

- All those who attended these seminars at New Wine. Ask God to help these leaders put into practice what they learned so that his kingdom may grow.
- John Dunnett, Ruth Hassall, Andy Castle and other CPAS leadership development advisers as they seek to equip and encourage leaders in mission.
- Men and women involved in mentoring teenagers, and growing young people as leaders.

A shared mission

Tiverton St George is a CPAS patronage church in Devon in the process of being joined with the nearby St Paul's church.

Please pray for:

- Everyone to come onboard with the new vision and to see the potential for growth.
- Wisdom for the leadership throughout the process to move forward at the right pace and make the right decisions.
- More churches to find the best ways to connect with their surrounding communities and share the gospel.
