

# PCC TONIGHT

ONLINE

## How's your PCC doing?

PCCs are a crucial body in the life of a church, and at this time face difficult decisions that will shape a church's life through the pandemic and beyond. Fun, faith-filled and well-functioning meetings are key to wise decision-making and fruitful church ministry. Now is a good time to take stock and review how things are going.

Suitable for all PCC members, this is a great opportunity to clarify the purpose of your PCC and learn how to avoid some common dysfunctions. You will also be introduced to material you can use to help shape the life of your PCC back at church, including guides on how to do a PCC meeting on Zoom.

The evening is designed for clergy and PCC members to attend via Zoom, with opportunities to work together in your PCC group, all from the comfort of your own home. If you have members of your PCC who aren't online, perhaps they could join with other members who are (socially distanced of course).

'Mission-oriented, Christ-focused, experience-grounded, not-a-moment-wasted, upbeat and practical training event for PCC members. However healthy your meetings are, they'll be better for attending PCC Tonight'.
