

Is God calling you to be our Vicar at St John's Eden Park?

We are a lively body of Christians in the long-standing open evangelical tradition. With over 240 on our Roll, we are diverse in many ways but united in our personal belief in Jesus Christ and in our desire to live lives that are honouring to God.

We seek to worship God, so that we may be equipped and renewed in service, in leading others to faith in Christ, serving those in our community and demonstrating the love of Jesus in practical ways.

We are excited about discovering the person God is calling to be our new Vicar, who will lead us in the next steps of our journey as we discern God's vision for the future and the next chapter in the life of our church.

Interested, excited? Then we want to hear from you. Please enjoy reading our profile...
