

Vicar St John's Folkestone

St John's is a church with a vibrant evangelical tradition that believes God is leading us into a new chapter. We need a strong and courageous leader, a person of vision who will seek the heart of God, journey with us and move us forward in our faith.

We would love our new Vicar to;

- Make outreach a priority.
- Support other ministries, overseas missions, Social outreach, Parish visiting, pastoral work and schools ministry.
- Be willing to challenge preconceptions
- Help us all to grow spiritually
- Help equip us to understand and use the gifts of The Spirit so that we can engage in, discernment, healing and spiritual warfare as the Lord directs.

Are you the person God is calling to lead us in this beautiful part of Kent? We will be there for you supporting you, working with you and praying for you.
