

Incumbent

Fremington, Instow and Westleigh

We are three estuary churches in North Devon – keen to move forward with God.

Are you an evangelical who can work collaboratively?

If you are – why not come and lead us into the future?

We can offer you stunning scenery, welcoming churches, fellowship and ministerial support. We have a staffed administration office, a paid youth and children's worker and numerous volunteers who contribute in various ways to the life of our churches. Promoting healthier & safer churches is important to us so we will encourage you to take your rest and enjoy our 'area of outstanding natural beauty'.

We have the potential and desire to grow: will you help us?
