

## Vicar St Peter's Loudwater

We are a friendly, vibrant, evangelical church located close to High Wycombe and the Chilterns. On a Sunday around 180 people of all ages worship God in varying styles. We have active involvement with our local community, but we see greater opportunity and potential to purposefully reach out and serve those around us, so together we are engaged in extending God's kingdom and building a *church without walls*.

We are looking for a vicar whose discipleship and dependence on the Holy Spirit and prayer is transparent in their personal life and public ministry. We desire a well-grounded, orthodox, Bible-based teacher and preacher whose leadership aims to:

- follow the model of Jesus Christ who came to serve;
- help us discern together God's direction for our future, delivering a strategic plan rooted in that vision;
- be a leader of leaders, as well as an accomplished manager and team builder;
- model a culture of pastoral care in our church and community;
- relate to children, young people and families;
- be a vicar to Loudwater as well as a leader for our church family at St Peter's.

**For informal enquiries about this opportunity please contact:  
Kathy Burch [patronage@cpas.org.uk](mailto:patronage@cpas.org.uk) 0300 123 0780 ext 4388.
