

Vicar of Redland - Bristol

A Heart for God, Living with Purpose

We are an active evangelical church serving a vibrant community in central Bristol, and we are at an exciting and challenging phase in our life together.

Our vision as a church is to ensure that discipleship is at the heart of all we do, and we are continually seeking to equip and support one another as we live out our faith wherever we are. We are looking for an effective, decisive and servant-hearted leader who can help us to develop, both spiritually and strategically.

If this sounds like a place where God is calling you to serve, we would love you to join us!

To see if you might be the right fit, you can find out more about who we and who we are looking for at our website:
