## Priest in Charge of Saxmundham with Kelsale cum Carlton

We are active, outward-looking worshipping communities, set within a benefice comprising the busy growing market town of Saxmundham and the small and lively village community of Kelsale cum Carlton. We seek a Priest-in-Charge who will be with us and lead us as we continue to grow and share the gospel.

If you're more interested in Kingdom than you are church,  
If you think our Father answers prayer and no request is too big,  
If you think every soul really matters to Jesus,  
we'd like to meet you.  
If you believe that the Spirit is alive and well,  
If you think knowing the Truth sets you free,  
If you can imagine revival,  
we'd really like to meet you!

Would you like to meet us?
