

## Vicar, St Luke's West Holloway Islington Deanery

St Luke's is a spiritual community with a holistic outlook, an open theology, a social conscience and an eclectic liturgy. Serving an area where the super rich live alongside the very poor, this creative and inclusive church is looking for a vicar who can help us imaginatively engage with our local parish in ordinary everyday practice. We're looking for someone comfortable with lay participation and open to a diversity of perspective, a team player who can help us look after each other – and look out to our wider neighbourhood.

Closing date for applications: Midnight, Tuesday 19 February  
Interviews will be held on Friday 22 March

**For full details and to apply see <https://pathways.churchofengland.org>

*The Diocese of London welcomes applications from all. However, we are aware that women and those from ethnic minority groups are currently under-represented among our clergy and so we particularly encourage applications from these groups. Appointment will be based on merit alone.*
