

Team Vicar for the Sid Valley Mission Community with responsibility for Sidmouth Parish Church

We are a large church (ER 254) at the heart of the beautiful town of Sidmouth seeking an experienced priest to join a vibrant Team Ministry.

We are praying for a Vicar who

- Is Eucharistically centred and sensitive to developing our musical tradition
- Is an inspiring preacher with good communication skills who can help build our congregation in faith and numbers and engage with different traditions
- Is a strong team player, committed to contributing to an exciting team and leading a large growing church at the centre of the town's civic life

We can offer

- A warm and friendly community
- Highly capable churchwardens, readers and retired clergy and an engaged PCC
- A beautiful seaside/ countryside environment

Working alongside the current Team Rector and new Team Vicar, the post holder will be licensed to the team with responsibility for leadership of Sidmouth Parish Church, St Giles & St Nicholas.
