## PRAYING IN FAITH

Bartimaeus was a man who, perhaps without realising it, prayed in faith (Mark 10:46-52). When Jesus asked him 'what do you want', he must have already known what the answer would be.

Bartimaeus wanted to see. But perhaps his initial call 'have mercy on me' had not been specific enough. Jesus invited Bartimaeus to be definite: 'Rabbi, I want to see'.

Some years ago, a Christian writer suggested that a river that is left to flow without boundaries spreads out and creates only a marsh. But when it is channelled and constrained within banks, it can power a mill. In the same way, prayer that is specific and definite enables the power of heaven to be apprehended.

The prayer of faith is also 'daring'. Bartimaeus may not have been present when Jesus said 'with God all things are possible' (Matthew 19:26), but his petition was an audacious acknowledgement of this – and it was clearly a prayer of which God approved.

As you use this diary to pray for the work of CPAS, can I ask you to be both definite and daring. Definite in asking for specifics. Daring in the exercise of faith.

# EVANGELISM DURING COVID

As a mission agency working with leaders and churches across the nation, we became aware that evangelism during COVID was something many churches were struggling with.

In response to this, we launched a new online event specifically to resource leaders as they think through how to respond to the challenges and opportunities in a sensitive way. The aim was to help their churches become better equipped to show and share Christ's redeeming love in this season.

Around 200 church leaders have now taken part in these events. Here's what they said:

“ ‘Thank you for reigniting the passion for evangelism with good resources and input.’

‘Thank you for resourcing us and sharing ideas so generously.’

‘Great support during COVID. CPAS, you are amazing and appreciated.’ ”

All of this simply wouldn't be possible without your prayerful support. Thank you so much.
