CPAS Webinar: Leading with Hope

September 2020

Here are links to some things that may be of interest following the webinar. Don't try and use them all, choose selectively what will be of most help or interest to you at this time.

There are a whole bunch of great ideas and resources shared on the [Padlet](#) board, including the hope postcards and verses for daily prayer I mentioned during the webinar. Do take a look as more people add to the board throughout September, and add your own ideas.

At a time when the responsibilities of the PCC are even more crucial, this evening event is a great way to reflect on how to avoid the common dysfunctions of PCCs, as well as explore practical ideas on how to improve the way you work together.
