Dear Prospective Applicants,

As you read through the profile for St John's Worksop, we pray for the guidance of the Holy Spirit as you discern whether God might be calling you to become the next vicar of the church.

The parish has been without a vicar for an extended period of time. However, this was due to the suspension and eventual resignation of the vicar. The parish has a strong and resilient leadership team and is in good heart as they look to the future. While the missional priorities are clearly set out in the profile and the PCC and congregation are wanting to look ahead, there will be a measure of healing needed in the initial phase of ministry.

Do be in touch if you wish to have a conversation about the parish as one of the archdeaconry team will be pleased to speak with you.

Kind regards,

Yours sincerely
