Diocese of Canterbury

Thank you very much for downloading the details of this post. Please find attached a copy of the Benefice Profile, a CPAS application form, a confidential declaration form, privacy notice and any other relevant documents.

Please complete the application form and confidential declaration form and return them to patronage@cpas.org.uk. Please be aware that the CPAS application form does slightly differ from the standard Church of England application form for parochial posts. There is plenty of guidance outlined within the form, so do take time to read the small print!

If you do decide that it is right for you to apply for this post, return the completed form, outlining what attracts you to this post in the personal statement within it. Do pay particular attention to how your gifts and experiences match the needs of the Benefice as outlined in the profile. If sending in your application as a PDF, please send two separate PDF's: one the application and the other the confidential information (Section 9 onwards).

If you are appointed to this post, you will be required to complete a DBS form so that a check at enhanced level can be made with the Disclosure and Barring Service

If you would like to discuss the profile further, or any of the background issues, please do not hesitate to contact us.

Yours sincerely

The CPAS Patronage Team
